

## Request to allow MAC address for student device on the network

If you do not know what your MAC address is, Google has all the answers.

Example using Google, [how do I get my MAC address for Samsung Tab A](#)

OR

Example using Google, [how do I get my MAC address for an iPad](#)

(Please print)

<b><u>Name</u></b> First and last  Readable	
<b><u>LoginID only not your password</u></b> Your login credentials If a new year 7, LoginID will be presented within the first week of school	
<b><u>Current year of study</u></b> (after January) 7, 8, 9, 10, 11 or 12	
<b><u>Device</u></b> What device do want to allow Eg, Macbook, iPad, Samsung etc	
<b><u>MAC</u></b> Unique address of your network card Also known as WiFi address by Apple	
<b><u>Sited and approved by</u></b> (Must be signed and sited by Staff member)	

Please return forms to the Library no later than Wednesday of the week with valid ID.

All forms received by Wednesday will be processed on Thursday, the following day.

Devices found connected to the Network that have no Form submitted, will be blocked from using the school's Network, until the correct process has been completed.
